

Storage Audit - July 11, 2020

**Rows in Green: If you own a shelf highlighted in green, you're good to go; these shelves have been paid for, and a name was found on the gear or shelf that matched the paying owner.**

**All Other Rows: If you've bought a shelf and you're CONFIDENT that you bought the correct one (keeping in mind that there are missing shelves in places, and that the bins are numbered 1-4 from RIGHT to LEFT), you should be good to go. If you have any doubt about which shelf you bought, or if you think someone else has bought a shelf that you are occupying, please email [info@crestlinesoaring.org](mailto:info@crestlinesoaring.org) and we'll help you get it resolved. IF YOU HAVE GEAR OR GLIDERS IN STORAGE AND HAVE NOT YET PAID FOR THEM ON THE WEBSITE, PLEASE DO SO ASAP OR REMOVE YOUR STUFF. There is a LOT of unclaimed/unpaid gear in the bins, and this isn't fair to other members that have paid.**
